REMARKS

Applicant respectfully requests reconsideration of the Decision mailed January 20, 2006, in which Applicant's Petition to Revive was dismissed on the ground that it failed to include a reply that *prima facie* placed the application in condition for allowance. In response, Applicant submits herewith a further Amendment, which limits the Application to subject matter previously deemed allowable by the Examiner. Accordingly, it is respectfully submitted that the attached Amendment constitutes a reply that, at a minimum, *prima facie* places the application in condition for allowance. Reconsideration of Applicant's Petition under 37 CFR 1.137(b) is therefore requested.

If there are any other fees due in connection with the filing of this response, please charge the fees to our Deposit Account No. 50-0310 (Billing No. 054883-5001). If a fee is required for an extension of time under 37 C.F.R. §1.136 not accounted for above, such an extension is requested and the fee should also be charged to our Deposit Account.

Respectfully submitted,

Date: March 13, 2006
